REMARKS

Claims 1-4, 9, 10, 13,14, and 19-21 are now pending in the application. By this Paper, Claims 1 and 10 have been amended and Claims 5-7 and 15-18 have been cancelled without prejudice or disclaimer of the subject matter contained therein. Basis for the foregoing amendments can be found throughout the specification, claims, and drawings originally filed. As such, no new matter has been added. The preceding amendments and the following remarks are believed to be fully responsive to the outstanding Office Action and are believed to place the application in condition for allowance. The Examiner is respectfully requested to reconsider and withdraw the objections and rejections in view of the amendments and remarks contained herein.

OBJECTIONS UNDER 35 U.S.C. § 132(a)

The amendment filed 19 May 2009 stands objected to for introducing new matter into the disclosure. In this regard, the Examiner has objected to new Figure 10.

Applicants are submitting herewith an amended Figure 10 that is a simplified side view clearly supported by the specification. The description for Figure 10 has been amended accordingly.

Applicants respectfully submit that the objection under 35 U.S.C. § 132(a) has been overcome.

ALLOWABLE SUBJECT MATTER

Claim 9 has been allowed.

The Examiner objects to Claims 7, 17, and 18 as being dependent upon a rejected base claim, but states that Claims 7, 17, and 18 would be allowable if rewritten in independent form.

Independent Claim 1 has been amended to include the limitations of Claim 7 and including Claims 5 and 6. Claims 5-7 have been cancelled. Applicants submit that Claim 1 and Claims 2-4, dependent therefrom, are in a condition for allowance.

Independent Claim 10 has been amended to include the limitations of Claim 17 and including Claims 15 and 16. Claims 15-18 have been cancelled. Applicants submit that Claim 10 and Claims 13-14 and 19-21, dependent therefrom, are in a condition for allowance.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner

believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
